Dynamic Fullstack Engineering intern with a solid foundation in building interactive web applications. Skilled in React and MongoDB. Committed to delivering high-quality code.

## WORK EXPERIENCE

### Full Stack Web Developer

Jul 2024 - Sep 2024

#### Web Stack Academy

Remote

- Developed full-stack web applications using the **MERN stack**
- Built and maintained responsive front-end user interfaces with **React.js**, integrating real-time data using **APIs**.
- Designed and managed with **MongoDB**.
- Worked on state management in React applications using **Redux** and **React Hooks** (useState, useEffect).
- Debugged and optimized applications to ensure seamless performance.
- Collaborated with peers through **Git** version control for efficient project management and team collaboration.

### Web Developer Intern

Jun 2024 - Jul 2024

#### TECH OCTANET SERVICES PVT LTD

Remote

- Developed dynamic web applications using **HTML, CSS, JavaScript** for front-end interfaces.
- Collaborated with cross-functional teams to design and implement responsive and user-friendly websites.
- Gained hands-on experience in **web development** and project lifecycle management.
- Earned a **Tech Certificate** upon successful completion of the internship.

## EDUCATION

### M.C.A. - Computer Applications

Aug 2023 - Jun 2025

Medi-Caps University, Indore

GPA: 7.80 / 10

### B.C.A. - Computer Applications (Full Time)

Aug 2020 - Aug 2023

Rajiv Gandhi Government P.G. College, Mandsaur

GPA: 75 / 100

## PROJECTS

### Food Order

Jul 2024 - Sep 2024

- The **Food-Order Project** is a web application built using the **MERN stack**.
- Users can create accounts, explore menus, add items to the user cart, and place orders in real-time.
- Admins can manage restaurant data, update menus, and track order statuses.
- The project integrates secure payment processing, real-time order tracking, and responsive design for an enhanced user experience.
- This application showcases the full-stack capabilities of the MERN stack, providing a seamless food-ordering experience.

## SKILLS

### Skills:

HTML/CSS – Structuring and styling web pages.

JavaScript – Client-side scripting for dynamic content.

Responsive Design – Ensuring websites work on all devices.

### Framworks:

Front-end Frameworks – Experience with React.js

Databases – Knowledge of MongoDB or PostgreSQL for managing data.

Version Control – Proficiency in Git for collaboration and code management.

## LANGUAGES

English • Hindi
